INFORMATION ON THE GROUP AND THE PARTIES TO THE EQUITY TRANSFER AGREEMENTS

The Vendors

Beijing Changsheng is a limited liability company established in the PRC on 10 June 2008, an indirectly wholly-owned subsidiary of the Company and mainly engages in technology development, technology transfer and technology services of environmental protection products.

Chongqing Kangda is a limited liability company established in the PRC on 19 July 1996, an indirectly wholly-owned subsidiary of the Company and mainly engages in investment and operation of wastewater treatment facilities in the PRC.

The Purchaser

The Purchaser is a limited liability company established in the PRC on 11 August 2015, and mainly engages in the treatment services of water pollution, air pollution, solid waste and geological disaster.

To the best of the knowledge, information and belief of the Directors having made all reasonable enquiries, each of the Purchaser and its ultimate beneficial owners is a third party independent of the Company and its connected persons.

The Group

The Group is mainly engaged in investing in and operating wastewater treatment facilities in the PRC.

REASONS FOR AND BENEFITS OF ENTERING INTO THE EQUITY TRANSFER AGREEMENTS

The Directors undertake strategic reviews of the Group's assets from time to time with a view to maximising returns to the shareholders of the Company. The Directors consider that the Disposals would optimize the Group's asset portfolio, help the Company obtain enough cash to pay off the debts and reduce the debt ratio. The Directors are of the view that the Disposals, if completed, will make a positive contribution to the cash flow and financial position of the Group.

Accordingly, the Directors (including the independent non-executive Directors) consider that the terms of the Equity Transfer Agreements are fair and reasonable, on normal commercial terms and in the interest of the Company and the shareholders of the Company as a whole.

FINANCIAL EFFECTS OF THE DISPOSALS AND USE OF PROCEEDS

Upon the completion of the Disposals, it is expected that the Group will recognize an investment gain (before taxation) of approximately RMB4,460,000 (approximately HK\$5,156,000) from the Disposals, which is calculated based on the total consideration and all account receivable, other receivables and balance of cash of the respective Target Companies that is entitled by the Group less the net assets of the Target Companies as at 30 June 2018.

Shareholders and potential investors of the Company should note that the above figures are for illustrative purpose only. The actual investment gain from the Disposals is subject to the completion of the audit on the consolidated financial statement of the Group.

The proceeds from the Disposals will be used by the Group primarily to pay off the Group's outstanding debts.

LISTING RULES IMPLICATIONS

Pursuant to Rule 14.22 of the Listing Rules, the transactions under the Equity Transfer Agreements are required to be aggregated since the Purchaser is the same. As the highest of the applicable percentage ratios, calculated with reference to Rule 14.07 of the Listing Rules in respect of the Disposals, is greater than 5% but less than 25%, on an aggregated basis, the transactions contemplated under the Equity Transfer Agreements constitute disclosable transactions for the Company and are subject to reporting and announcement requirements but exempt from the shareholders' approval requirement under Chapter 14 of the Listing Rules.
